Letter from A. J. May. WEST LIBERTY, KY., May 25, 1861. Editors Yeoman:

Gentlemen: I received per last mail a copy of the Maysville Eagle, in which I find proceedings of a meeting of the Executive Committee of the Union Democratic party of the 9th Congressional District, held on the - day of May, 1861. Said committee, it appears, appointed myself, in connection with others, a committee for the county of Morgan, which position I most respectfully I am not a member of the so-called Union Democratic party, and never was. I presume said committee would not like to have their party in this county organized upon the basis of unyielding devotion to the South, the whole South. I suppose said committee were ignorant of my position, or sure-ly they would not have placed me by their ac-tion in a false position. They have been un-fortunate in the selection of committees in the mountains. S. Cox, one of their committee for this county, is an active Southern Rights man, and so are all of the committee appointed for the county of Wolfe.

It is known that these combinations existed during nearly the whole period the last Congress was in session, at not congress was taken looking to a congress. yet not one step was taken looking to a co-ercive policy. How far he has the power to condition of things, there would have been attempt to suppress combinations which were eight slaveholding States seeking redress withattempt to suppress combinations which were in existence when Congress was in session, and which have still continued, it is unnecessary now to discuss. Another proclamation was issued on the 19th of April, in which, after reciting that letters of marque were threatened by the seceding States, he deems it advisable to set on foot a blockade of the ports in the States aforesaid, in pursuance of the laws of the United States and the law of nations in such case provided, and concludes by declaring such privateers pirates. unite her destiny with the South at once, and If there be the semblance of authority for take her share of the responsibility and danthis movement by the most latitudinarian ger of the step, they ought to remember that construction of the powers of a constitutional the people alone can decide such a question. CELEBRATED REJUVENATING ELIXIR!!

by one of the ablest Chemists of the age.

This is altogether a new medicine, the result of modern discoveries in the vegetable kingdom, being an entirely new and abstract method of cure, irrespective of all the old and worn-out systems published by accomplished quacks to the suffering. Dr. Wright, well knowing the deception practised upon the uninitiated, felt it his duty at once to have this Elixir tested by the whole Medical Faculty, who, without even one dissenting voice, have given in their adherence to its perfect and undivided control over the whole physical man when his frame has been

their adherence to its perfect and undivided control over the whole physical man when his frame has been reduced, and when all other medicines known to the reduced, and when all other medicines known to the paramacopeia have been tried in vain. Long thought, years of patient investigation, and a nit desperandum determination, have crowned the Doctor's efforts, and he now offers the Elixir to suffering humanity as the only thing that can cure the following diseases—namely.

diseases—namely:
GENERAL DEBILITY,
MENTAL AND PHYSICAL DEPRESSION,
DETERMINATION OF BLOOD TO THE HEAD,
IMBECILITY,
CONFUSED IDEAS,

RESTLESSNESS AND SLEEPLESSNESS AT

LOW SPIRITS,
DISORGANIZATIOM OF THE ORGANS OF GENERATION,
PALPITATION OF THE HEART, And, in fact, all the concomitants of a nervous and debilitated state of the system.

As a Stimulant,

It is quite different from alcoholic preparations. It is not subject to reactions in any shape; it continues to exert its influence, gradually and efficiently, as long as the least necessity exists for its presence.

As a Female Medicine,

It is equally powerfur and effective, and restores the equilibrium sooner and safer than all the other medicines which for years have flooded the market, and which are only iniurious, in place of assisting or renovating the constitution; for a very good reason too, that they are only made from the effusions of minds ignorant of the Medical profession altogether.

No Minerals! Dr. Wright thinks it well to stake his professional character on the fact, that no minerals whatever orm the least component parts of the ingredients in its Rejuvenating Elixir—well knowing what ruin has been entailed on the community by opium and pergury.

Generally, to the debilitated, Dr. Wright would say, Never despair. No matter how worn down you may be—no matter how weak you are—no matter what the cause may have been—forsake at once whatever has led you to depart from Hygienic principles—take

Rejuvenating Elixir. And you will soon find yourself a new man—a pride instead of the reverse, to your friends, and a healthy, sound, and worthy member of the human family.

A Specific for Hooping-Cough Tis known by a few individuals in the counties of Jefferson, Shelby, and Oldham that I have a remedy that effectually cures Hooping-Cough. If there are remedies in America or Europe that cures, it is not within my knowledge, (except the one I use.) Physicians tell the families they attend it can't be cured. I have no doubt they are candid in what they state. To get the medicine in use, and lull to sleep a deep-rooted prejudice, the faculty are invited to get the medicine, and save the little innocents whom they attend, and tell them no more it cannot be cured. One dollar will pay for two bottles, which is a sufficiency for one child. This medicine can be conveyed to any part of the United States by express for a mere trifle. Caution to Debtors.

From information received since the death of my late partner. C. G. Graham, I believe there are numerous oustanding debts due to the late firm for which notes were given payable to "C. G Graham," (which was the style of the firm) but which have not come into my possession as surviving partner. I therefore warn all persons thus indebted not to make payment to any person other than myself, or my authorized agent. If they do, they will act in their wrong, and may be compelled to pay again to the surviving partner, who alone is authorized to collect said debts.
